Digital Signage Contacts

Adrian Ulsted - 2025-04-21 - Comments (0) - Concerto

Below you will find the contact information for the individuals who moderate the various Concerto screens across campus. If you need to submit new content to a screen, or you have noticed a problem with content that is already there, you will want to contact the appropriate person below. Problems with the physical displays should be reported to the IT Helpdesk at 541-552-6900.
