Download SOU Letterhead

[SOU letterhead files are available for download in a variety of formats here](). Standards for SOU Letterhead, Logos, and Typography can be found on the [SOU Marketing & Communication Guidelines page]().

If you are going to print in black and white, use a template featuring BLK in the name. It will produce a better looking letter.

I cannot find a template to download. Is this still available for use?

Thanks for saying something, Jesse. I have updated the KB article with the correct links to these resources for you.
