To configure the **Mail** app on an **Apple** device for access to **SOU Gmail**, just follow these steps:
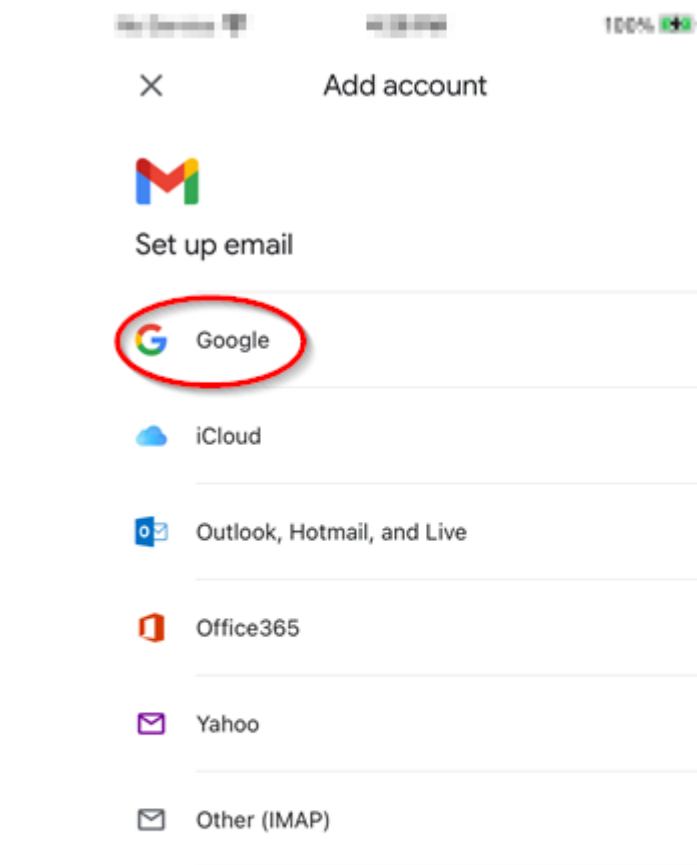

- Open the **Google Accounts** button on your device.

  ○
- Select **Add another account.**

- Tap **Google**.

- ○
- Enter your **SOU account** information, being sure to use your full **SOU Gmail** address, including '**@sou.edu**'.

- o
- *Sign into* your **SOU account**.

- o
- And you're done.
