Adding Content to Personal Webpages (webpages.sou.edu) with Cyberduck (Mac)

Francisco Kuriyama - 2025-06-23 - Comments (0) - Mac

Step 1

Navigate to Applications > Cyberduck . (If you don't have Cyberduck installed in your Mac please contact your computer coordinator).

Step 5

Verify that the file(s) has been uploaded by navigating to your webpage

(i.e. http://webpages.sou.edu/~username/filename.ext), where "username" is your SOU username and filename.ext is your file's name and its file type.
