"User not assigned to this application"?

If you have trouble logging into Moodle with Okta authentication, there's an easy fix.

If you get this error message when trying to log into Moodle, click on the **Back to sign in** link and follow these three steps:

1. Click on **Add apps**.
2. Enter **Moodle** in the **Search** field and press Enter to locate the app link.
3. Click on **Add**.

Click on the **Moodle** tile in your app library to log into Moodle and find your course(s).
