

Amazon Web Services Educate Account Creation

Brad Christ - 2023-03-29 - Comments (0) - Amazon AWS Educate

To apply for the Amazon AWS Educate program, you'll need an AWS account. If you haven't already created one, follow these [instructions](#) and then return to this document.

Step 1: Go to aws.amazon.com/education/awseducate/ and click *Apply Now*.

Step 2: Click *Apply for AWS Educate for Students*.

Step 3: Complete the application. Make sure to enter **Southern Oregon University** in the Institution Name field and **use your SOU email account in the Email field**. You will also need your Amazon AWS Account ID (not your email address, see this [article](#) for help). Click *Next* when finished.

Step 4: An email with a verification code will be sent to your SOU email account. Enter the verification code on this page, click the box to the left of "I'm not a robot" and follow any additional instructions.

Step 5: Click-through to accept AWS Educate Terms and Conditions and then click *Submit*.

Step 6: You've completed the process! You should receive an email from Amazon with your account credit.

To add the credit to your account:

1. Go to aws.amazon.com/console and sign into your AWS account.
2. In the AWS Console, click on *your name* and then click *Billing & Cost Management*.
3. In the Billing & Cost Management Dashboard, click *Credits* on the left.
4. Enter the AWS credit promo code from the email you received, complete the security check, and click *Redeem*.
