

## Amazon Web Services Educate Account Creation

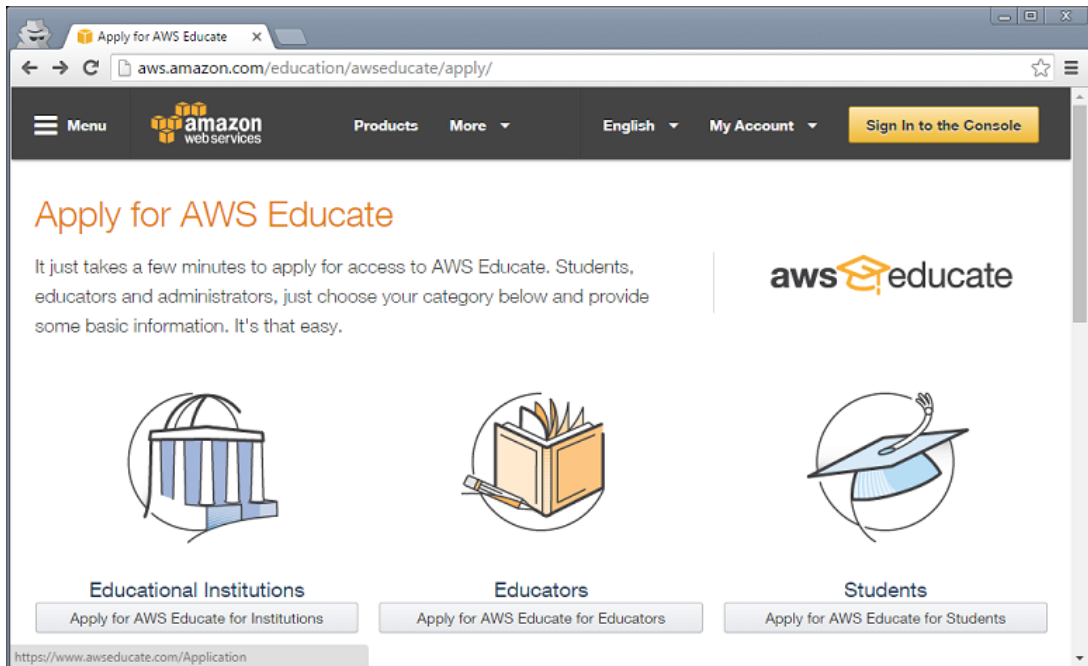

Brad Christ - 2023-03-29 - Comments (0) - Amazon AWS Educate

To apply for the Amazon AWS Educate program, you'll need an AWS account. If you haven't already created one, follow these [instructions](#) and then return to this document.

**Step 1:** Go to [aws.amazon.com/education/awseducate/](https://aws.amazon.com/education/awseducate/) and click *Apply Now*.

**Step 2:** Click *Apply for AWS Educate for Students*.

**Step 3:** Complete the application. Make sure to enter **Southern Oregon University** in the Institution Name field and **use your SOU email account in the Email field**. You will

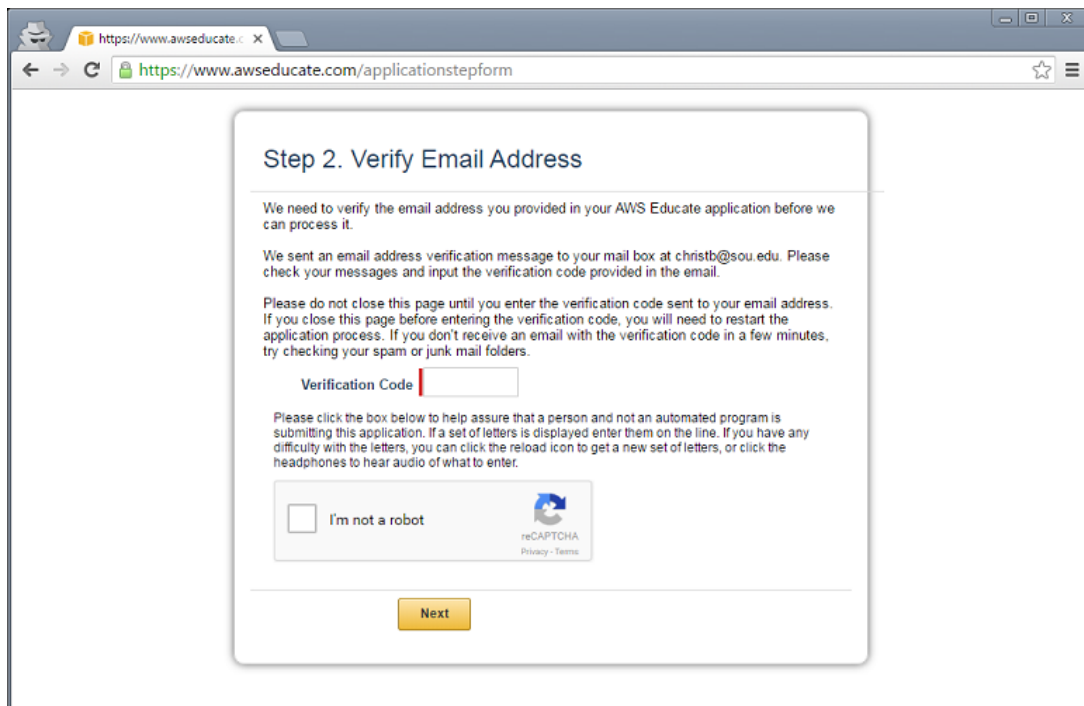

also need your Amazon AWS Account ID (not your email address, see this [article](#) for help).  
Click *Next* when finished.

The screenshot shows a web browser window with the URL <https://www.awseducate.com/Application?apptype=student>. The page title is "Step 1. Fill out Application". The form contains the following fields and instructions:

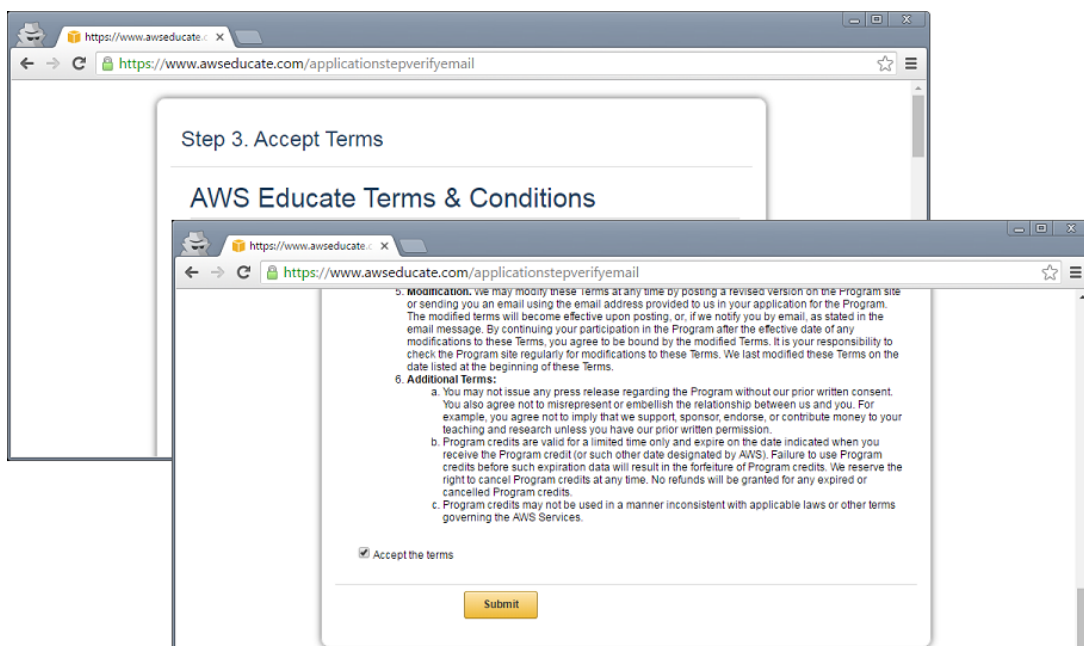

- Institution Name:** Southern Oregon University. *Please write the full name of your school / institution.*
- Country:** United States (dropdown menu).
- City:** Ashland.
- Field of Study:** --Select One-- (dropdown menu). *Please select the most appropriate*
- First Name:** (text input field).
- Last Name:** (text input field).
- Email:** raider@sou.edu. *Provide a valid, current email issued by your institution*
- AWS Account ID:** (text input field). *You need an AWS account to receive program benefits. Your AWS Account ID is a 12-digit number.*  
[Don't have one? Sign up now](#) 📧
- Grade Level:** A two-column selection interface. The "Available" column contains: Graduate, Undergraduate-Adv Courses, Undergraduate-Intro Courses (highlighted), and Vocational/Community College. The "Chosen" column is currently empty. *Click your grade level under Available and then click the arrow to move your grade level to Chosen*
- Graduation Year (current degree program):** --None-- (dropdown menu). *The graduation year of your current degree program.*
- Graduation Month (current degree program):** --None-- (dropdown menu). *The graduation month of your current degree program.*
- Promo Code:** (text input field). *Enter a promo code here; codes are case sensitive.*

A yellow "Next" button is located at the bottom of the form.

**Step 4:** An email with a verification code will be sent to your SOU email account. Enter the verification code on this page, click the box to the left of "I'm not a robot" and follow any additional instructions.

**Step 5:** Click-through to accept AWS Educate Terms and Conditions and then click *Submit*.

**Step 6:** You've completed the process! You should receive an email from Amazon with your account credit.

To add the credit to your account:

1. Go to [aws.amazon.com/console](https://aws.amazon.com/console) and sign into your AWS account.
2. In the AWS Console, click on *your name* and then click *Billing & Cost Management*.
3. In the Billing & Cost Management Dashboard, click *Credits* on the left.
4. Enter the AWS credit promo code from the email you received, complete the security check, and click *Redeem*.
