Cognos and I*Reports Browser Compatibility

Brad Christ - 2025-05-29 - Comments (0) - Mac

IBM Cognos and I*Reports now supports most browsers and operating systems. The table below provides additional information, including important configuration information for Internet Explorer.

Browser	Version	Notes
Apple Safari	5.0+	Not supported on iPad or iPhone.
Google Chrome	84+	Does work with Report Studio.
Microsoft Edge		Not supported.
Microsoft Internet Explorer	10+	**Requires Adobe Flash and Compatibility Mode for IE to be enabled.** Mobile IE is not supported.
Mozilla FireFox	55+	Does not work with Report Studio

Additional compatibility information is available from the IBM Knowledgebase.
