Download SOU Letterhead

SOU letterhead files are available for download in a variety of formats here. Standards for SOU Letterhead, Logos, and Typography can be found on the SOU Marketing & Communication Guidelines page.

If you are going to print in black and white, use a template featuring BLK in the name. It will produce a better looking letter.

I cannot find a template to download. Is this still available for use?

Thanks for saying something, Jesse. I have updated the KB article with the correct links to these resources for you.
