Faculty: Assign Extra Credit or Bonus Points

Hart Wilson - 2018-02-12 - [Comments (0)](#) - [Faculty](#)

Have an item that you'd like to identify as extra credit in your Moodle grade book? Want to assign bonus points on an assignment? This **quick guide** will show you how.

Bonus Tip: How extra credit affects scores.

Where you assign extra credit can make a BIG difference in a student's score. Moodle offers the opportunity to add extra credit to an item or to an entire category or as a standalone item. How you assign that credit can have a significant impact on scores.

To help faculty see the impact in these scenarios, we've created **this example**. Let us know if you have any questions!
