

Faculty: Change End of Term Date

Hart Wilson - 2018-03-26 - 0 Comments - in Faculty

Beginning with Moodle 3.3, course end dates are now included in course settings. This setting is designed to move courses out of the left navigation panel and keep current courses in the panel.

Edit course settings

▼ General

Course full name	<input type="text" value="ART 133 (4006-WI18) - Introduction to Drawing"/>
Course short name	<input type="text" value="ART 133 (4006-WI18)"/>
Course category	<input type="text" value="Winter 2018"/>
Course visibility	<input type="text" value="Show"/>
Course start date	<input type="text" value="8"/> <input type="text" value="January"/> <input type="text" value="2018"/>
Course end date	<input type="text" value="23"/> <input type="text" value="March"/> <input type="text" value="2018"/> <input checked="" type="checkbox"/> Enable

Access the course end date by clicking on the course admin gear, then **Edit settings**.

You can keep your course listed in the panel in one of two ways:

1. **Extend** the end date a week or so, or
2. Uncheck the **Enable** box to make the course "In progress" indefinitely.

Save changes.
