

Faculty: Clear Grade Override

Hart Wilson - 2018-01-16 - Comments (0) - Faculty

Having trouble with subtotal or total calculations in your Moodle grade book? If you find subtotal or total grade cells with a tan or brownish background, Moodle's calculating formula has been overridden for those items. Often, these overrides are the result of hiccups in our online connections, not something we've done. To restore the formula and remove the override, follow [these instructions](#).
