### **Standard Text for Common Actions in Moodle**

Assignment: File upload

Click on the **Add submission** button below to drag and drop your assignment file in the File picker area. Or locate and attach your completed assignment by clicking on **Add** in the top border of the File picker. Click on **Save changes** to submit.

Assignment: Online text

Click on the **Add submission** button below to open your textbox. After entering text, click on **Save changes** to submit.

Moodlerooms forum: Standard, general forum

Click on the **Add a new discussion** link below to draft your reply.

Moodlerooms forum: Single simple discussion

Click on the **Reply** link in any message to draft a response.

Moodlerooms forum: Q & A forum

Open the post below and click on the **Reply** link to draft your response. You'll be able to read the responses posted by other students after the 15-minute editing period for your post is over.

Groups: Work in a discussion forum together

Use the **Add a new discussion** link below to initiate the discussion in your group or reply to your teammates' threads to move the discussion forward.

Quizzes: Too variable to standardize, but consider these factors...

- Closed vs. open book, open notes
- How many total questions to expect and how to move from page to page
- Indication of time limit, if any
- Information about test availability
- What to do if they experience technical difficulties
