## Faculty: Rename Sections

Hart Wilson - 2023-12-19 - [Comments \(0\)](#) - [Faculty](#)

To rename sections, in edit mode, click on the pencil adjacent to the section title and enter the new name in the field. Press **Enter** to save your changes.

The screenshot shows a Moodle interface. At the top, there is a section title 'April 3 - April 9' with a dropdown arrow on the left and a pencil icon on the right. Below this, there is a form field with a dropdown arrow on the left and a red border. A red arrow points from the pencil icon to the form field. Above the form field, there is a text box that says 'Escape to cancel, Enter when finished'.
