Faculty: Set Up a Hypothesis Link for Groups

Hart Wilson - 2025-12-05 - [Comments \(0\)](#) - [Faculty](#)

Setting up Hypothesis links for groups used to be a complex process, but now it's super easy!

Prepare Groups

Follow these instructions for [setting up groups](#). Once you've created groups and assigned users to them, [create a grouping](#) and assign your groups to it.

Set Up Hypothesis Activity

See these instructions for [setting up a Hypothesis link](#). When you get to the last step in the process to select the file, check the box indicating **This a group assignment**. Open the **GROUP SET** menu and select the grouping that you created for your groups, then click on **Continue**.
