← All Categories ▾ →

Last name	First name	Homework	Participation	Quizzes
Student1 One		43.22	20.00	19.00
Student3 Three		44.69	0.00	14.00
Student2 Two		46.82	0.00	13.00
Overall average		44.91	6.67	15.33

You can upload grades recorded in a spreadsheet to a Moodle course site quickly and easily. [These instructions](#) will walk you through a few simple steps. Try it, you'll like it!

Note: Moodle may alphabetize a bit creatively—be sure to verify that student names appear exactly as they do in your Moodle course before uploading scores.
