← All Categories ▾ →

Last name  First name	Homework 	Participation 	Quizzes 
 Student1 One 	43.22	20.00	19.00
 Student3 Three 	44.69	0.00	14.00
 Student2 Two 	46.82	0.00	13.00
Overall average	44.91	6.67	15.33

You can upload

grades recorded in a spreadsheet to a Moodle course site quickly and easily. [These instructions](#) will walk you through a few simple steps. Try it, you'll like it!

Note: Moodle may alphabetize a bit creatively—be sure to verify that student names appear exactly as they do in your Moodle course before uploading scores.
