

## Faculty: Upload Grades to Moodle

Hart Wilson - 2018-01-16 - Comments (0) - Faculty

You can upload grades recorded in a spreadsheet to a Moodle course site quickly and easily. [These instructions](#) will walk you through a few simple steps. Try it, you'll like it! 

**Note:** Moodle may alphabetize a bit creatively—be sure to verify that student names appear exactly as they do in your Moodle course before uploading scores.
