

How to Connect Your Moodle Courses Calendars to Google Calendar

David Raco - 2019-07-22 - Comments (0) - Students

This knowledgebase article will show you how to connect your Moodle course calendars to your Google Calendar for ease of access. You can [learn more about the features of Moodle's calendar system here](#).

Step 1 - Access your Moodle calendar (<https://moodle.sou.edu/calendar>). Look for the Calendar icon in the sidebar on the left side of the screen. Click it, then click on the Export button at the bottom of the calendar.

Step 3 - Go to Google Calendar (<https://calendar.google.com>) and click on the + sign next to "Other calendars" on the left side of the screen. Then select "From URL" within the menu that appears.

Step 4 - Paste in the Moodle calendar URL that you copied in Step 2 and then click the Add calendar button.
