How to Set or Change Your Personal Information Including Address, Phone Number, Preferred First Name, Gender ID, and Pronouns:

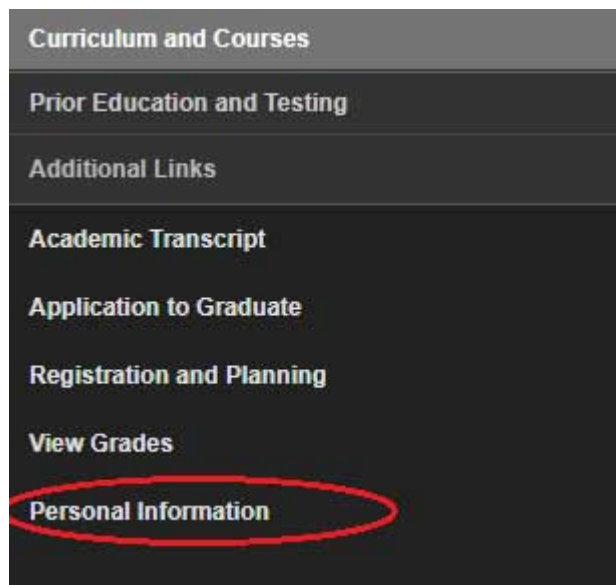

- To start you will want to login to your SOU OKTA.

<https://okta.sou.edu/>

From here you will want to find the **Student Profile** App.

- After clicking on that you shall see a dark rectangle appear. On the last section of that rectangle you will want to select **Personal Information**.

- After you do that it should send you to a new page where you can see your account

details that we have on file. Towards the top of the page there should be a section that is labeled as Personal Details, which contain names, pronouns, gender ID, etc. On the top right there should be an **Edit** button.

○

- A popup shall appear and you will be able to edit some of the fields. You may now update your profile to more accurately represent yourself.
- To update your address, phone number, emergency contact, and other personal information, you have two options

- Add new information by clicking the **Add New**
- To edit an existing field please click on the
