

Mobility Print Printer Setup for Android

Brad Christ - 2018-01-02 - 0 Comments - in Paper, Printing and Copying

Important: Make sure your Android is connected to the SOU network!

Install the [Mobility Print app](#) from the Google Play Store.

Launch the app.

Tap Android settings.

Tap Mobility Print.

Tap the enable toggle.

Exit out of Settings.

Print your document. When prompted enter your SOU Username and Password.

The way you print is different depending on the app you want to print from. For more information, see the documentation for the app. When you select a printer, make sure you select a Mobility Print printer as identified by the PaperCut icon 

Mobility Print supports Android 4.4+. Supported devices includes Android phones and tablets from Google, Samsung, HTC, Lenovo, LG, Sony, Huawei among others.
