

Mobility Print Printer Setup for Chrome and Chromebooks

Brad Christ - 2018-01-02 - Comments (0) - Paper, Printing and Copying

Important: Make sure you are connected to the SOU network!

Install the [Mobility Print Chrome app](#).

Open the page to print.

If printing is available, right-click; then select Print.

Click Change to choose a printer.

Select a printer from the list.

Make sure you select a Mobility Print printer as identified by the PaperCut icon .

When prompted enter your **SOU** Username and Password.

Mobility Print supports Chrome/Chromebooks with Chrome version 43+.
Supported devices include Chromebooks from Acer, Asus, HP, Lenovo, and Toshiba.
