Mobility Print Printer Setup for iOS (iPhone, iPad)

Brad Christ - 2025-06-02 - Comments (0) - Paper, Printing and Copying

Important: Make sure your iPhone or iPad is connected to the SOU network!

On iPhones and iPads, Mobility Print just works like AirPrint.

Print your content as described in [Use AirPrint to print from your iPhone, iPad, or iPod touch](#).
You will be prompted to enter your SOU Username and Password.

Mobility Print supports iOS 9.2+.
