

Mobility Print Printer Setup for Windows

Brad Christ - 2018-01-02 - Comments (0) - Paper, Printing and Copying

Important: Make sure your Windows machine is connected to the SOU network!

Download and run this [Mobility Print Printer Setup](#) (pc-mobility-print-printer-setup.exe).

On the License Agreement screen, click Next.

Select a printer; then click Next.

Enter your **SOU** Username and Password; then click Next.

Click Finish.

Print your document.

To add more printers, run the downloaded Windows Printer Setup again.

Mobility Print supports Microsoft Windows 7+.
