Registration changes effective June 1, 2020

David Raco - 2020-06-02 - Comments (0) - Application and Online Services Help

On Monday, June 1, SOU's course registration screen is getting a significant upgrade! It will look different, but will make the registration experience easier, more intuitive, and frankly much more modern in look/feel/function.

Please reach out to Raider Student Services (<u>studentservices@sou.edu</u>) or your Student Success Coordinator with questions.

Please see the attached video tutorials and step by step PDFs to best understand the upgrade.
