Requesting Support from Qualtrics

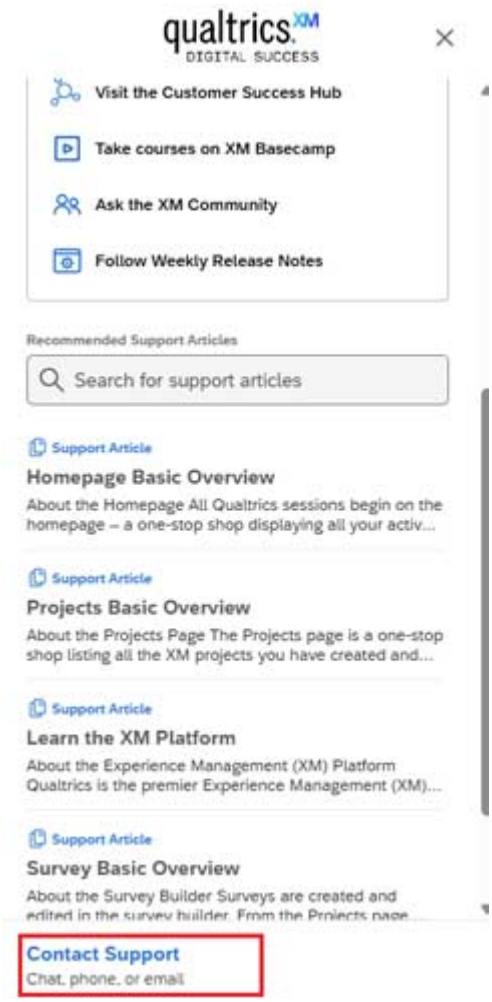

David Raco - 2025-04-14 - Comments (0) - Qualtrics

This article will guide you through the process of requesting help directly from Qualtrics.

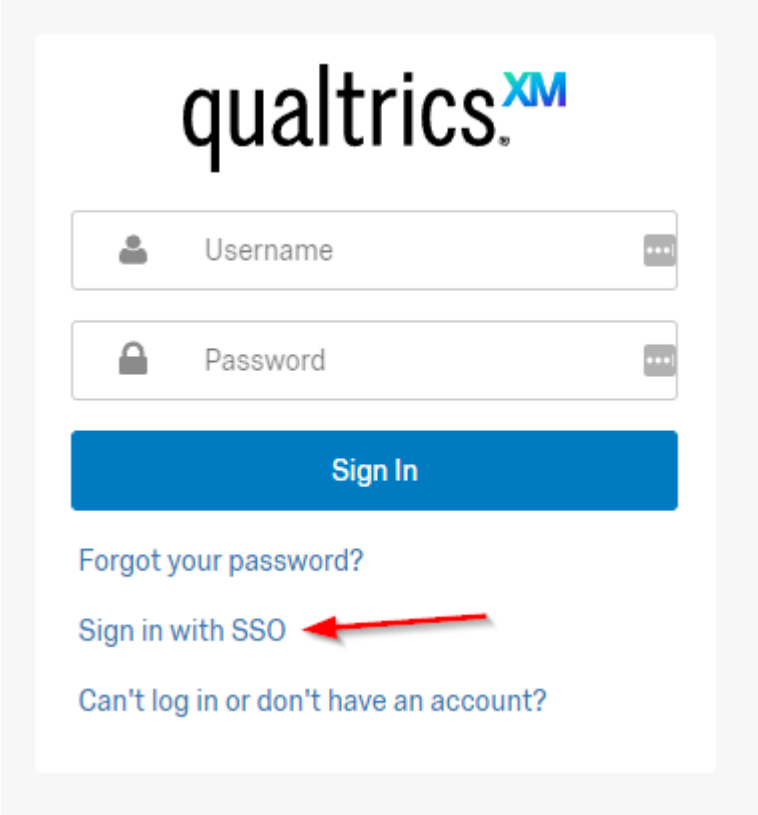

- Click the question mark icon in the top-right corner of the screen.

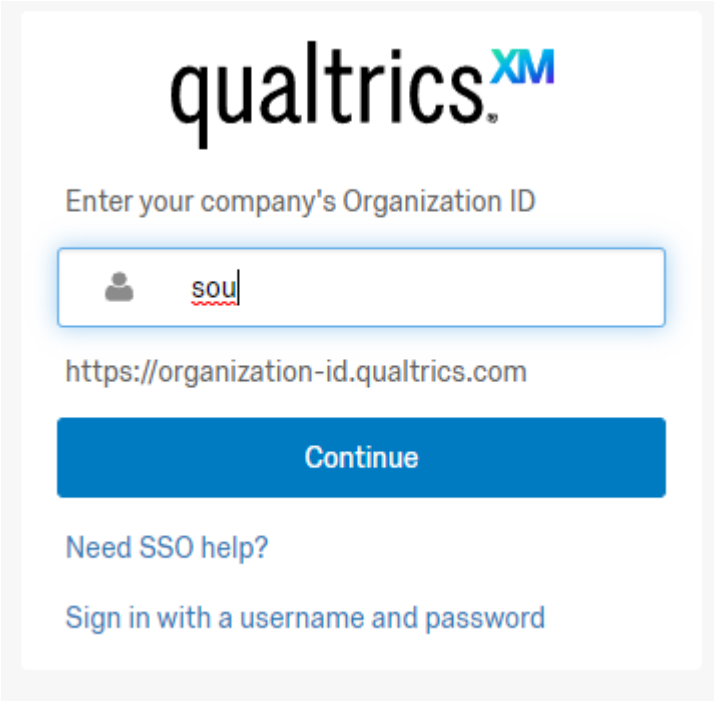

- Click the **Contact Support** button.

- Use the "**Sign in with SSO**" option

- Enter "**sou**" (without the quotes) as the organization ID and sign in.

- From there you can submit your support request to Qualtrics.
