

Requesting Support from Qualtrics

David Raco - 2021-11-22 - Comments (0) - Qualtrics

This article will guide you through the process of requesting help directly from Qualtrics.

Click the question mark icon in the top-right corner of the screen.

Click the **Contact Support** button.

Use the "**Sign in with SSO**" option

Enter "**sou**" (without the quotes) as the organization ID and sign in.

From there you can submit your support request to Qualtrics.
