

Scantron Instructions for Students

- 2017-09-02 - Comments (0) - Scantron

1. Use only #2 pencil
2. Name **must be bubbled** in with one space only between first and last name. Last name only is acceptable.
3. ID field must be bubbled in with nine digits only. Nine digits are required. **Do not put anything in the tenth bubble**. Student may use any unique combination of nine digits.
4. Mark A in Test Form field unless instructor designates B, C, or D.
5. "Subj Score" field must be bubbled in with 000 -> **Zeros only**.
6. Do not make random marks anywhere on exam sheet.
7. Do not "X" out unwanted answers. Erase all unwanted answers.
