

Software available on remotedesktop.sou.edu

Brad Christ - 2024-04-05 - Comments (0) - Windows

remotedesktop.sou.edu is meant to provide an experience similar to working on a standard campus computer. We have installed our site licensed and commonly used open source software. You are not able to install any software on remotedesktop.sou.edu

Any settings you change in your profile are persistent, so you should have a consistent experience every time you use remotedesktop.sou.edu. **However, you must save any files on your P, S, or X drives. If you save anything to the C: drive or your desktop, you may lose your file.**

Here is the list of software available on remotedesktop.sou.edu:
