SOU Licensed Software

David Raco - 2025-05-20 - Comments (0) - Faculty/Staff

The following software packages are available through Southern Oregon University. Talk to your Computing Coordinator if they are not already installed or available to you. In some cases (those marked limited quantities), you may need to purchase a license. A list of the standard software installed on both Macs and PCs is available here.

Adobe Creative Suite/Cloud for Enterprise

Adobe Acrobat Pro

Apple iLife and iWork (Macintosh only)

Autodesk Maya (limited quantities)

Camtasia (limited quantities)

ESRI ArcGIS

IBM SPSS

Microsoft Office

Minitab (limited quantities)

PTC MathCad (limited quantities)

Zoom

Qualtrics online surveys
