SOU-Wireless Guest Login

Adrian Ulsted - 2018-03-20 - 0 Comments - in SafeConnect

If you do not have an SOU account and wish to get on SOU-Wireless from your PC or Mac, you will be asked to create and sign into a guest account.

You will either:

- 1) Need to have access to your email (Ex. On your smart phone or webmail on a computer that you does have internet access)
- 2) Allow a text to your cell phone (You'll need to fill out the "optional" cell number field)
- 3) Or after you complete the form, call the Help Desk at 541-552-6900 where an IT Coordinator can look up your newly generated name and password for you

Here's what the login process looks like for a guest user. When you first try to get online, your browser will show our captive portal. Scroll down and click Request a Guest Account.

Welcome to the Network

To access network resources, please sign in.

If you don't have a network login account, you can [request guest access](#).

Sign In

Please enter your username

I accept the [Acceptable Use Policy](#)

Sign In

[Request a Guest account](#)

Or [Click Here](#) to resend your guest account password.

You will then need to fill out the guest access form. Note that this can only be filled out once per email, so if you don't have access to your email and would like a text to give you your name/password, please enter your mobile number and provider in the optional fields.

Guest Account Information

To access the network: "Visitor" complete this form.

Login information will be e-mailed to the address entered, and if mobile number and carrier are provided, an SMS message will be sent as well.

The message will also indicate for how long your account will be valid.

Guests who have previously had an account can [Click Here](#) to resend the guest account password.

If you need assistance, please call the IT Helpdesk at (541) 552-6900.

Request a Guest Account

Complete this form and then click "Continue".

Select mobile service provider

Standard messaging rates apply.

[List all providers](#)

Cancel

Continue

Then you will see a screen that your request has been approved.

Your request has been approved.

An email was sent to John.Doe@test.com with your login information.

After receiving your user name and password, click Continue.

Continue

Please check your email or text for your login information, click "Click here to sign in", and enter those credential in the captive portal.
