

## Students: Browser Requirements for Taking Quizzes

Hart Wilson - 2018-02-12 - 0 Comments - in Students

The browser you use to access Moodle can make a big difference in your ability to successfully complete a quiz in Moodle. For best results:

**Recommended**

- Be sure to use a recent version of Firefox (on a Mac or PC) or Internet Explorer (on a PC).
- Do **not** use Chrome, Safari, or any other browser to take a test.
- Review the [related article](#) in this knowledgebase carefully to reduce potential test-taking problems.

Need to download a browser?

- To download the latest version of Firefox, go to [this link](#).
- To download the latest version of Internet Explorer, go to [this link](#).

**Note:** You may need to temporarily disable your firewall settings if you are using a computer or network connection that has a firewall.
