Students: New Account Access

Justin Bezuhly - 2025-06-25 - Comments (0) - Account Help

Activating your student account will provide access to important **SOU** resources and services including your ***student email***, ***course registration***, ***grades***, the ***library***, and much ***more***.

You will have received an ***email*** with details about your new account. That ***email*** will look similar to what is below.

Please go to okta.sou.edu and ***log in*** with temporary credentials from the email. If you are having trouble getting logged in please email the IT Helpdesk or call them at 541-552-6900.
