

Students: Subscribe to a Forum

Hart Wilson - 2024-10-14 - Comment (1) - Students

When you “subscribe” to a forum, you’ll receive an email copy of every post made by all forum participants. Open the forum and click on button labeled **Subscribe to forum** to receive an email each time someone posts to the forum.

The screenshot shows a Moodle forum interface. At the top left is a red icon with a white speech bubble and the word 'FORUM'. To its right is the title 'Course Q & A'. Below the title are four menu items: 'Forum', 'Settings', 'Advanced grading', and 'More' with a dropdown arrow. The main content area features a large red question mark and a white 3D figure thinking. To the right of the image is the text: 'Please ask any general questions you have about the course in this forum.' At the bottom of the forum area, there is a search bar with a question mark icon, a search button with a magnifying glass icon, a red 'Add discussion topic' button, and a grey 'Subscribe to forum' button which is highlighted with a red border.

Subscribe to your own post (or another post that interests you) by clicking on the circle to the right of your post title. You'll get an email each time someone replies to you. Keep the conversation going!
