Transferring a call directly to voicemail

To send a call to someone's voicemail without ringing the phone

1. Press **Transfer** on your phone
2. Dial the number "**#99000**" followed by the 5-digit extension (e.g. #9900026900).
   - Instead of a 5-digit extension, you can also use a speed dial button
3. Press the **Transfer** button again to complete the transfer
