Work at Home Software Available for Faculty/Staff

Brad Christ - 2017-09-02 - Comments (0) - Faculty/Staff

As part of our agreements with Adobe and Microsoft, we have work at home software rights available for many of their products.

These licenses are only available to current faculty and staff.

Many titles are available for both Mac and PC, including:

Adobe Creative Cloud Desktop

Microsoft Office

Microsoft Windows 10

Each title is available for a nominal fee. To purchase a license, visit

http://sou.onthehub.com/ Note, you must be logged in to see the available products.
