

Attention Students: New Student Profile Page

2020-02-05 - Lisa Denney - Comments (0) - General

Instead of going to lots of different pages to get your student and academic information, you may now use the new Student Profile page. It displays the following information all in one place:

- Biographical information
- General student information
- Graduation information
- Curriculum hours & GPA
- Prior education & testing
- Advisors
- Registration notices
- Holds
- Links to Academic Transcript, Registration, Student Schedule, and Week at a Glance

You can find access the new Student Profile page from InsideSOU:

1. Log into InsideSOU
2. Click on the Student & Registration Tools link from the Online Services box
3. Click on the Student Profile link from the Student Profile box
