

## Duo is coming to Remote Desktop Login 9/2/21...

2021-08-25 - John Stevenson - Comments (0) - General

On **Thursday, September 2nd**, Information Technology will implement **Duo (multi-factor) authentication** on **Remote Desktop** to enhance our network security. You can learn more about Duo and how it works in this brief article from our knowledge base.

<https://support.sou.edu/kb/articles/authenticating-with-duo-to-sou-s-remote-desktop-environments>

If you have questions or concerns please address them to the help desk at 541-552-6900.
