

Moodle Log in Problems?

2014-07-19 - Hart Wilson - Comments (0) - General

If you are unable to log in to Moodle and receive an error message indicating that "You seem to be Shibboleth authenticated but Moodle didn't receive any user attributes," please see [this article](#) to update your password. If you are still unable to log in, submit a ticket for assistance. Log in at left to begin.
