

MySOU - system restart at 12:00 noon today

2014-08-12 - Tom Rutledge - Comments (0) - General

Banner and Self Service (SISWeb) are currently unavailable via MySOU but may be accessed from www.sou.edu/anywhere. MySOU will be restarted at noon to re-establish connection to those systems. This will result in a brief, 15 to 30 minute, outage for MySOU. Other services normally accessed via MySOU will be available at www.sou.edu/anywhere during that time.
