

Network Outage

2022-07-21 - Gordon Carrier - Comments (0) - General

****Update****

Networks are restored!

There was a power outage causing network interruption. Power is being restored, and networks are coming back up.

Good Morning,

We are experiencing network outages in the following areas:

Shasta

Greensprings

McLoughlin

Student and Family Housing

Higher Education Center

Student Recreation Center

We are currently looking into the situation and will update with more detailed information as we can.
