

Network Outage Sunday, March 28th, 2021 from 8AM to 11AM...

2021-03-25 - John Stevenson - Comments (0) - General

This Sunday, March 28th, I.T. will be performing a network upgrade. This will cause the network and internet to be unavailable. The work will begin at 8:00 AM, and we hope to be completed by 11:00 AM.

Thank you for your patience and understanding, as we work to increase the security, performance and reliability of SOU's network.
