Papercut Web Print Unavailable - Maintenance Scheduled Thursday, 4/14/2022 8:00 pm

2022-04-14 - Stephen Lanning - Comments (0) - General

IT is aware of an issue with the Papercut Web Print service. A fix requires restarting the Papercut Application server which will make printing unavailable during the reboot process. Thus, we have scheduled maintenance outside of business hours for Thursday, 4/14/2022 at 8 pm.
