

RESOLVED: Gmail Issue Reported Monday, August 19th 11:53 am

2019-08-19 - Stephen Lanning - Comments (0) - General

Google is reporting the Gmail issue resolved as of 12:59 pm.

Please call the helpdesk at 541-552-6900 should have an further issues.

Thank you for your patience.

Google has acknowledged an issue authenticating to their email services.

A workaround is to access Gmail in an Incognito or Private Browsing window until the issue has been resolved.
