We will be performing maintenance on SafeConnect, which manages compliance on the SOU-Wireless WiFi network, on Tuesday 07/28/2020 through Wednesday 07/29/2020.

There should be no issues with existing connections to WiFi. However, if you experience any SafeConnect issues during this period, please email the helpdesk at helpdesk@sou.edu or call 541-552-6900.
