Wi-Fi maintenance - Friday, May 3rd

2024-05-03 - David Raco - Comments (0) - General

The IT Department will be performing necessary Wi-Fi network maintenance on Friday, May 3rd between 11 AM and 5 PM. There should be no disruptive to wireless services, but if you experience problems with your Wi-Fi connection, call the IT Helpdesk at 541-552-6900 right away.

Sincerely,

The IT Network Team
